To

The Secretary to Government of His Highness the
Maharaja of Mysore, Law Department,
Bangalore.

Sir,

Adverting to Government Order No.P.4448-61/Pris.65-39-4 dated the 2nd January 1940, sanctioning the adoption in Jails and Lock-ups of the system of issuing Railway Warrants to prisoners on release, in liue of payment of Travelling expenses to them under Rule 457 of the Mysore Jail Manual, I have the honour to state that after ascertaining the number of Railway Warrants required for use in Jails and Lock-ups, an indent for 41 books, each containing 100 Warrants, was sent to the Superintendent, Government Printing, Bangalore. This Officer, while pointing out in his letter No.4404 dated the 4th June 1940(copy enclosed) that he has not been authorised by Government to print the Warrants, called for a sample form of the Warrant so that the work might be taken up in anticipation of sanction of Government. Accordingly, a Police Railway Warrant Form was obtained and after making therein alterations to suit the requirements of Jails and Lock-ups, was sent to the Comptroller to Government and then to the Press Committee, Bangalore for approval. This draft form has since been approved both by the Comptroller and the press Committee. The Secretary to the Press Committee states in his letter No.32 dated the 11th November 1940(copy encl that, as the scheme has been sanctioned tentatively for one year, it would involve unnecesary expenditure to Government to print 41 books for temporary use and has accordingly furnished this

this Office with 15 Police Railway Warrant books, each containing 100 sheets for temporary use with the modifications approved. I have distributed these books with the necessary sample forms among Jails and Lock-ups. In these circumstances, I request that the arrangement of issuing Railway Warrants to prisoners on release may kindly be sanctioned as a permanent measure, so that the Warrants approved for this Department may be got printed.

I solicit very early orders.

I have the honour, to be,
Sir,
Your most obedient servant,

P. Muthuyanna Rao

Inspector-General of Prisons.

Letter No.4404 dated 4th June 1940 from the Superintenden Government Printing, Bangalore to the Inspector-General of Prisons in Mysore, Bangalore.

With reference to your letter No.257-43 dated the 27th May 1940, I have the honour to state that Government Order No.P.4448-61/Pris.65-39-4, dated the 2nd January 1940, sanctioned the adoption of these forms but does not authorise the Superintendent, Government Printing to print and supply them. Necessary sanction for the printing and supply of them may therefore be kindly obtained and communicated to this Office for reference.

They will, however, be printed and supplied to you in anticipation of your obtaining Government Sanction. Samples of these forms may be sent to the Press after obtaining the approval of the Comptroller to Government to each of them so that further action may be taken.

With reference to your letter No.257-55, dated 6th September 1940, regarding the printing and supply about 41 books of Railway Warrants for use in Jails and Lock-ups in the same form as it is in use in the Police Department, etc., I have the honour to state that one of the aims of the Government constituting the Press Committee, is for the purpose of arriving at the largest number of common forms that may be used with advantage in all Departments, at the same time minimise the cost of printing seperate forms for each Departments. The Police sample form sent with your letter has slightly been altered to suit both the Departments (Police and Prison) is returned herewith and I request you to kindly let me know your views in the matter. The suggestions made therein is only to score out the unnecessary items under "Purpose of Journey" and retaining such portion relating to the office of issuing the Warrant. If this proposal is accepted, the printing of forms will be put in hand.

In this connection, I may bring to your kind notice that Government have permitted to issue Railway Warrants only for one year tentatively and as such some Railway Warrant books (required number) which are in use in the Police Department will be obtained and supplied to Medical Department to meet the urgent demand and these may be used for the present, making necessary alterations till permanent arrangements are made to have the forms printed. Printing 41 books required for temporary use, causes unnecessary expenditure and waste of time to the Government Press.

I request for favour of early reply.
